WORDS YOU WILL HEAR IN ANIME

1. Kawaii (かわいい)

Definition: cute, adorable

This is a word that describes anything that can be seen as cute, such as a stuffed animal or a pretty dress!

2. Sugoi (すごい)

Definition: amazing, great

You will often hear this word when a character is surprised or impressed! It can convey the same meaning as "amazing" or "superb."

3. Senpai (先輩)

Definition: Someone who is your senior, most commonly at school or in the workplace

The popular phrase "Notice me, senpai!" also plays on the frequent use of the word.

4. Baka (ばか)

Definition: idiot, stupid

Usually used in a playful manner, this word is used to describe someone as "dumb" or "an idiot."

5. Oniichan (お兄ちゃん)

Definition: older brother

The anime shows of today feature an abundance of older brothers, so this is one that's sure to come up quite often. It's almost always used by the little sister character in the show.

6. Daijōbu (大丈夫)

Definition: okay, good

Often used in a way similar to the phrase "it's going to be alright," this word essentially means "okay" and is frequently used when a character is trying to cheer someone else up!

7. Imōto (妹)

Definition: younger sister

Many shows feature a younger sister character, hence the popularity of this word.

8. Tomodachi (友達)

Definition: friend

A simple word meaning "friend" or "friends." This is quite common, since of course, anime is filled with lots of friendship!

9. Ureshiii (嬉しい)

Definition: happy, glad

You'll often hear this word when a character is extremely happy or relieved! For example, it is often used when a character thinks that someone is angry with them, but then finds out otherwise.
